Photography and videography consent

We require you to complete the form below giving consent or non-consent for your child to have photos/video recordings taken by the Pre-School staff. These are only used for observational purposes and for the children's learning stories. We would be grateful if you could complete the attached agreement form and hand it back to the Pre-School Manager to be kept on file.

The Pre-School may sometimes reproduce these photos and video recordings for prospective new parents to view
